Deputies H. Bilicic and Filby responded to 11546 Wilson Mills Road for a juvenile complaint. Upon deputies arrival they were met by John Bruening, who stated that he and his wife, Nancy, were caring for their two nephews XXXXXX and Thomas (TJ) Lane, who are 16 and 15 years old, respectively. John stated that earlier this evening there was a problem with TJ, he did not want to go to his volunteer work that is required of him for school. John stated that his wife's parents Carole and Jack Nolan are XXX, TJ's and Sadie's guardian. John further stated that since there was a problem with TJ earlier John was going to take XXX out of the house so there was not a further problem. John stated that he was going to take XXX to his AA meeting, which he has done before because of XXX's known heroin addiction. John stated that on Monday XXX is to enter court ordered treatment, from prior charges. John stated that XXX was acting odd and had blood shot eyes. John asked XXX if he was under the influence, XXX got angry stated that he was not going with John and left the house. Both John and Nancy were calling for XXX, they were concerned for his welfare due to the weather conditions when he did not return home. Deputies were leaving the residence to check the area for XXX, when he was observed at Winchester and Wilson Mills, deputies spoke with XXX who stated that he left the house because he got into an argument with his uncle and thought he may hit him. XXX was returned to the residence and stated that he was not going to cause a problem and agreed to stay in the residence.

As deputies were leaving dispatch advised that Nancy was back on 911 stating that her husband, XXX and TJ were physically fighting. Deputies could hear parties yelling while in the garage.

John stated that when they got back into the house he told XXX that he wanted to talk to him, XXX continued to walk into his bedroom, John grabbed XXX's coat and XXX turned around and punched John. At this point a fight continued where TJ also jumped on John attempting to put him in a 'choke hold' while XXX grabbed John's legs. Nancy came into the room attempting to break up the fight and called 911. Deputies Bilicic and Filby entered the residence and observed John bleeding from the mouth and blood on the kitchen floor. Deputies spoke with XXX who stated that when he got back into the residence John had hit him and XXX punched him back. There were no bruises or marks to XXX. TJ stated that he was helping his brother out because he assumed John was hurting XXX.

Photos were taken of John and his injuries. John stated that he would complete a statement and wished charges to be filed against XXX and TJ. Green sheets were completed for both XXX and TJ.

Carole and Jack Nolan arrived home and it was explained to them what had transpired. Carole was upset, she felt that filing charges was going to ruin XXX's life. Carole was difficult to calm down, she continuously stated that XXX could not go to court because that would screw up XXX's rehab that he is to enter on Monday. It was repeatedly explained to Carole that the courts ordered XXX's treatment and that the charges would not interfere with XXX's rehab. Carole continued to yell at XXX and TJ and then would yell at Nancy.

Carole and Jack both stated that they felt comfortable with XXX and TJ staying at the residence for the evening.

Green sheets completed for XXXXXX and TJ Lane for assault.
